SIR,

With reference to your letter No.209/L.B.42-11-18 dated 6th July 1914, intimating the further amendment of the Local Boards Regulation II of 1902, empowering the District Boards to levy Railway cess at a rate not exceeding 6 pies in the rupee on all items of revenue &c, I have the honor to state that Government having been pleased to accord

(1) Govt. Order No.7656-8/L.B. 42-11-10 dated 18th April 1912.

(2) Govt. Order No.10643-5/ L.B.199-13 dated 22nd April 1914.

sanction to raise a loan of Rs 8 lakhs to construct a railway line from Bowringpet to Chikballapur via Chintamani it has become necessary for the District Board to find ways and means to meet the interest on the said loan at 4 per cent, and also to set apart sufficient funds for the formation of a sinking fund to repay the said loan amount at the end of 25 years.

2. As it is apparent that the above charges could not possibly be met out of the present annual income, the Board are of opinion that a

railway cess of six pies in the rupee should be levied on all items of revenue on which local cess is now collected, the amount so realised being utilised solely for the said purpose, the balance, if any, being set apart to form a nucleus to carry out the Railway programme of the District Board. Accordingly, necessary provision has been made on the receipt and expenditure sides of the District Fund Budget submitted with this office letter No.1291 dated 26th March 1914.

3. I request therefore that you will be so good as to obtain the early sanction of Government to levy the proposed railway cess with effect from the current official year 1914-15.

I have the honor to be,

Sir,

Your most obedient servant,

President, District Board,
